

JOIN A SORORITY!

*A PLACE WHERE YOU WILL ALWAYS BE JUDGED BY
YOUR LOOKS AND HOW MUCH MONEY YOU HAVE!*

WHAT IS GREEK LIFE?

Greek life began in 1825. Being in a sorority is all about building a relationship with the girls in your chapter, and your chapter only. Every sorority has a philanthropy they raise money for but the whole point of the events are to take cute photos and get boys to show up. Everyone joins Greek life to get into parties, go to formals and get the stole for graduation.

MISSION STATEMENT

The mission of a sorority is to further develop a girls drinking habits, encourage partying over studying, and to create eating disorders and body dysmorphia.

VALUES

Every sorority has slightly different values but some have shared values. These include gossiping, popularity, and vanity. Every member must be alike and diversity amongst the chapter is not encouraged. Members should only care about themselves and not their community.

"Being in a sorority has allowed me to meet so many boys at our philanthropy events, formals, and functions. I have met some super rad girls and we talk about clothes, makeup, and shoes. I'm so glad I spent the money to join a sorority and buy my friends!"

MORE ON SORORITIES

To be in a sorority you must be preppy and not athletic. You should only care about making superficial relationships and your appearance.

Sorority girls must dress a certain way, talk a certain way and are known to be ditzy and stupid, but are always gorgeous with a terrible personality.
