19-year-old Jessica forced to drop out of stripping to go to College.

By Sexy Sandra Sanders

In a surprising twist, 19-year-old Jessica, known as 'Gemma' at work, has been forced to drop out of stripping to attend college.

The teenager, after discovering that stripping actually takes work ethic, effort and excellent social skills, has come to the realization that going to college and getting a psychology degree would, in fact, be easier.

"I just didn't realize it would take so much effort," she said.

"I'm turning in applications, I just hope I get accepted somewhere so I can finally relax a little. I just hope my parents understand my decision."

Unsurprisingly, not everyone is sad to see "Gemma" move on to more academic endeavors.

"She just doesn't have what it takes. No one is surprised she decided to go to college." says Diamond, 31.

While Jessica hopes her friends and family will understand her decision to change career-paths, she is worried some will be less-than-pleased with her decision.

"I just hope my parents can learned to accept me as a college student. I know it will be difficult at first, but I think eventually they will see that a degree could be good for me."

Strip club patron, 46, promises dancer that he's "not like the rest of the creeps in here," but definitely is.

By Itty Bitty Titty Betty

Sources close to the situation informed us that a customer, aged 46, promised a dancer that he is "not like the rest of the creeps in here," but we have since confirmed that he definitely is.

Local man, Bill Hardwich, failed to convince anyone that he was any better than the other old bozos sipping on overpriced beer in the club.

Bill justified his statement by promising the young dancer that he actually respects her too much to pay for her services. He said that instead of paying for lap dances or her time, he would rather "take her out to dinner and treat her like a real gentleman should".

"Really what this translates to is that he is just here to see her tits for free- making him equally creepy as all the other freeloaders in the club, and more creepy than the customers who are here to actually pay the girls for their time," an outside consultant explained.

"What Bill doesn't understand, is that his willingness to set himself apart from every other customer is exactly what every other customer is also doing. It's just a giant circle-jerk of 'I'm not like other guys'."

It's clear that no one is buying in to that one Bill, better luck next time.

Customer, 54, shocked to learn that strippers are more expensive than therapy.

By Flexible Felix

Strip club regular, John Fitzgerald, 54, received a shock this afternoon when he learned that purchasing lap dances to work through his personal issues is more expensive than seeing an actual therapist.

“I couldn’t believe it,” he said.

“I found out this whole time I could have been seeing a real therapist for just a \$70 co-pay. That’s only like, one and a half lap dances! But of course, I don’t get to see a nice pair of bazongas while I describe how my marriage failed because of my unresolved abandonment issues.”

When questioned about whether John would discontinue his regular attendance at the Jiggles strip club, he had this to say:

“While the affordability of real therapy is tempting, I think that describing my relationship problems with a naked 21-year-old on my lap will better serve my mental health overall.”

7 STRIPPERS YOU'LL MEET AT EVERY CLUB

-THE JADED VETERAN, AGES 28-45

THIS DANCER CAN BE USUALLY BE FOUND FREQUENTING THE VIP ROOM, OR MAKING ROUNDS ON THE FLOOR HUNTING HER NEXT VICTIM. SHE'S SNOBBY, BITTER AND MEAN BECAUSE SHE'S OLD AS FUCK AND HAS BEEN DANCING 10+ YEARS.

-THE COLLEGE CO-ED, AGES 19-24

THESE DANCERS EMBODY THE SWEET INNOCENCE OF COLLEGE GIRLS. THEY PARTY HARD AT WORK AND MAKE MAD MONEY OFF THEIR "GIRL NEXT DOOR" AESTHETIC. WHEN THEY'RE NOT WORKING, THEY'RE HUNGOVER IN CLASS OR CAN BE FOUND TAKING FREE SHOTS AT THE CAMPUS BARS. THEY'RE GRADUATING WITHOUT STUDENT DEBT AND ONLY 50% OF THEIR SATURDAY NIGHT MEMORIES.

-THE BABY STRIPPER, 18+

BABY STRIPPERS ARE GIRLS NEW TO THE INDUSTRY. THEY ARE EASILY SPOTTED, AS THEY OFTEN LOOK LIKE DISABLED BABY GIRAFFES LEARNING TO WALK. FOR THEIR FIRST FEW WEEKS ON STAGE, THEY LOOK MORE LIKE EPILEPTIC SPIDERS THAN GRACEFUL SEDUCTRESSES. NO ONE IS REALLY SURE WHEN YOU STOP BEING A BABY STRIPPER, BUT IT'S PROBABLY ABOUT WHEN THE ONLY VALUE YOU FIND IN MEN IS THEIR MONEY.

7 STRIPPERS YOU'LL MEET AT EVERY CLUB

-THE MOTHER DUCK, 26-40

THE KINDEST STRIPPER YOU'LL EVER MEET. SHE'S READY WITH A PEP-TALK WHENEVER YOU'RE FEELING DOWN, WILLING TO MEDIATE ANY TIFFS BETWEEN DANCERS, AND WILL SLAP THE SHIT OUT OF GIRLS WHO NEED IT. SHE CAN BE FOUND MOVING BETWEEN THE FLOOR AND THE DRESSING ROOM.

-THE SLOPPY DRUNK, 21+

THE DRUNK BITCH IN THE CLUB. SHE'S ALWAYS HAMMERED BY 8PM AND STILL NEEDS TO GET A CAB HOME BY THE END OF HER SHIFT.

SHE'S LOUD AND OBNOXIOUS AND CAN NEVER UNDERSTAND WHY SHE DOESN'T MAKE AS MUCH MONEY AS SHE THINK SHE SHOULD.

SHE SPENDS THE MONEY SHE DOES MAKE ON DRINKS. SHE'S A FUN STAGE PERFORMER, BUT A DISRUPTIVE PRESENCE IN THE CLUB.

-THE POLE PRO, 19+

THIS DANCER IS A MONSTER ON STAGE. SHE IS FLEXIBLE, STRONG AND AND SHE PUTS ON ONE HELL OF A SHOW. SHE'S PROUD OF WHAT SHE CAN DO, AND RIGHTFULLY SO. DEPENDING ON THE CLUB, POLE PROS ARE OFTEN ONE OF THE TOP EARNERS, WITH

MOST OF HER MONEY COMING FROM CUSTOMERS WHO WANT HER TO SEE HER PUT HER ANKLES BEHIND HER EARS UP CLOSE.

-THE DRAGON, 23+

SHE'S JUST MEAN, WITH NO PARTICULAR REASON TO BE. SHE JUST ENJOYS MAKING WORK AN UNPLEASANT PLACE TO BE. SHE ENJOYS BRINGING OTHER PEOPLE DOWN, PROBABLY FROM A DEEPLY ROOTED INSECURITY. SHE TAKES ONE LOOK AT YOU AND KNOWS EXACTLY WHAT TO SAY TO BRING YOU DOWN. SHE'S A MIDDLE SCHOOL BULLY IN A G-STRING.

JUST, STAY AWAY FROM HER.
